Dear Mr. Weisberg:

Am nearly through reading PHOTOGRAPHIC WHITEWASH which is, as I expected, full of interest.

A question has been bothering me, and even though I realize how busy you are, I would still really appreciate your answer. You state emphatically that Lovelady says the shirt in the photos you reproduce in WHITEWASH II is the same one he wore on the day of the assassination. I have searched the records you reproduce in PHOTOGRAPHIC WHITEWASH, and cannot for the life of me find this stated. Are you sure of this, or are you supposing it? Is the document in either of your books - perhaps I somehow overlooked it. I am extremely interested because I try to convince the many doubters of your facts, and I would like to be able to back this one up, for it is extremely important, if correct, in establishing Oswald's innocence.

Upon receipt of PHOTOGRAPHIC WHITEWASH, a few weeks ago, I mailed you a letter. I enclosed \$2.00, because I noted in your ads that OSWALD IN NEW ORLEANS only costs \$1.50. Since I have not heard from you, I wonder if the mail has been lost because of your change of address - or for other reasons, such as you list in your book. In any case, if MY letter was not delivered to you, there are probably a lot more which also have not reached you. You might want to check this out.

Please do give me the answer to the proof that the shirt Lovelady wore at FBI headquarters is the same one he wore the day of the murder. I'll be anxiously awaiting this.

Best of luck to you in your further searches!
I only hope that when the case is solved, it is you who solve it!

JACK
